

## DEROGATION REQUEST FORM

*For seed and vegetative reproductive material*

*(Including seedlings / plants from a Non-certified Nursery)*

**OPERATOR DETAILS:**

**Cert Number:** \_\_\_\_\_

**Name:** \_\_\_\_\_

**Business name:** \_\_\_\_\_

**E-mail:** \_\_\_\_\_ **Tel:** \_\_\_\_\_

*With reference to 1.7.2 and 1.7.3 of the National Standard for Organic and Bio-Dynamic Produce:*

I wish to inform BDRI that I am unable to source sufficient quality or quantity of Certified Organic or Bio-Dynamic seed and/or organic vegetative reproductive material as listed below and require a Derogation for the use of seed or vegetative reproductive material.

I wish to inform BDRI that I am **purchasing non-certified seed** and I have attached evidence from the seed supplier that the seed supplied to me is *not genetically modified* **and** that there is *no certified* organic or Bio-Dynamic seed available. (1 letter per supplier)

I wish to inform BDRI that I **am purchasing seedlings / plant material** from a non-certified Nursery *who use their own seed or propagation material* and I have attached evidence from the nursery that the seed or propagation material used is *not genetically modified*.

I wish to inform BDRI that I am **purchasing seedlings / plant material** from a non-certified Nursery and *I have supplied the Nursery* with certified seed / propagation material **or** seed listed below for which I have received a derogation.

**Product as listed below:** *(Please supply the full name of the product and/or Nursery)*
